Report of Superintendent of Schools.

For the Year Ending February 10, 1906.

This report is written with the idea that the people of this town are interested to learn of the work being done in the schools and for the schools. Each year we aim to accomplish something definite, until the schools shall be thoroughly¹ equipped and the work entirely systematized. Changes are being made gradually in order that they may be lasting. Success is attending the progress. During the year the department of music has been enlarged so as to embrace all the grades and a department of drawing and penmanship has been established. The regular work in the grades is being shaped so as to make it possible to adopt a course of study. Material is being gathered with the definite hope that such a course may be issued during the next school year. The uniform excellence of the grade teachers gives assurance that the village schools will readily adapt themselves to the course of study, which will be based on experience.

The revision of the list of text books, which was begun last year, has been continued; and adoptions have been made in all subjects but one. The enthusiasm with which the teachers have received the new books and the success with which each adoption has met is a matter for general congratulation.

In the rural schools the greatest trouble is the lack of pupils.

In the largest rural schools work has been done on a par with the grades and in the great majority of the smaller schools the instruction has been excellent. But as long as circumstances necessitate the employment of some inexperienced teachers there will be an occasional failure. During the past year the unsatisfactory teachers have been so few that out of the aggregate of 94 terms less than five per cent have been failures.

There has been a noticeable growth in the schools.

In 1904 there were 1144 persons in town between the ages of 5 and 21.

In 1905 there were 1198.

In 1904 the total registration was 832. In 1905 it was 876.

In 1904 the average registration was 685. In 1905 it was 709.

In 1904 the average attendance was 593. In 1905 it was 601.

A year ago there were 29 teachers, now there are 32. Of these teachers 19 have remained in the same schools. In 1904 there was an aggregate of 738 weeks of school. In 1905 the aggregate was 788.

Special effort has been made to add to the permanent equipment of the schools. The stock of maps and globes has been doubled and large additions have been made to the supply of tables, book-cases, charts and blackboards. We have purchased drawing material for 500 pupils and have increased the number of school books from 5800 to 7400. Last year there were 1100 books at the High School, 3700 in the common schools and 1000 in reserve. Now there are 1800 at the High school, 4200 in the common schools and 1400 in reserve.

The book list follows :

Total common school books, 5600. Total high school books, 1800. Grand total, 7400			

The high school books reach a total of about 100 titles. The number of books in each department is as follows: English, 840; Latin, 200; Greek, 40; French, 200; German, 120; History and Civics, 100; Mathematics, 120; Science, 180; total, 1800.

An inventory of the property of the school department has been made since February 1, 1906. Beside the books and drawing material the town owns the High School house and lot, the Grammar School house and lot, the new high school lot, the South Primary School house and lot, the Shawmut School house and lot, the Fairfield Center School house and lot and 15 small school houses in various parts of the town; 100 maps, 10 large globes, 25 small globes, 33 teachers' desks and tables, 70 chairs, 25 book cases, 8 educational charts, 16 music charts, 6 movable blackboards; and a general equipment of desks, stoves, blackboards, window shades, clocks, waste baskets, pails, pitchers, dippers, wash basins, brooms, brushes, dusters, dustpans, ash shovels, pointers, erasers, counting frames, penholders, spelling blanks, record books, note books, office and music supplies and kindergarden material; with a present stock of 320 packages paper, 20 gross pencils, 8 gross pens, 5 gallons ink, 70 dozen writing books and 70 gross crayon. The High School has a small amount of apparatus for the department of Physics and Chemistry, the worth of which may reach \$200.

To this inventory may be added a list of property which belongs to the schools and not to the town; 87 framed pictures, 10 flags, 500 library books, 7 cases and cabinets and 6 collections of natural history specimens, beside special property of the Longfellow Grammar School, including busts, bas-reliefs, desk, chair, piano, piano cover and stool, natural science cabinet and manikin.

In considering the appropriations for the coming year, I wish to call attention to several special and definite needs. When the new high school building is completed the old building will be used for the grades and will require new desks throughout. It will cost at least \$400 to make the building ready for the smaller children. Several of the school buildings need to be painted. The schools are in need of more maps, charts and blackboards. We hope to issue a manual. Janitor and fuel bills will be increased when the new building is opened.

In order to meet these needs and to keep the balance on the right side of the page, without shortening the school year, the following appropriations will be necessary.

Common schools.....	\$5,500
Book supplies and repairs.....	3,000
High school.....	2,000

With these appropriations the State aid, balance on hand and tuition, will make available :

Common schools.....	\$13,000
High school.....	2,700

The expenses for the common schools are estimated as follows :

Teaching.....	\$7,00 00
Janitor services.....	900 00
Books supplies and repairs.....	3,000 00
Fuel.....	900 00
Conveyance.....	400 00
Incidentals.....	500 00
Overlay.....	300 00

 \$13,000

The amount available for the High School will meet expenditures; for enough can be saved during the first half year to offset any extra expense that may become necessary after the opening of the Lawrence High School.

TOWN WARRANT.

STATE OF MAINE.

COUNTY OF SOMERSET SS.

To C. E. Duren, a constable of the town of Fairfield, in said County:—

You are hereby required in the name of the State of Maine to warn the inhabitants of the town of Fairfield, aforesaid, qualified to vote in town affairs, to assemble at the Opera House in said town on the fifth day of March 1906, at ten o'clock in the forenoon to act upon the following articles, to wit:

- 1st. To choose a moderator to preside at said meeting.
- 2d. To choose a clerk for the ensuing year.
- 3d. To choose selectmen, assessors and overseers of the poor, and all other necessary town officers.
- 4th. To choose a member of the superintending school committee.
- 5th. To choose a road commissioner.
- 6th. To see what sum of money the town will raise for incidental expenses.
- 7th. To see what sum of money the town will raise for support of the poor.
- 8th. To see what sum of money the town will raise for the support of common schools, Free High school, for books, supplies and repairs.
- 9th. To see what sum of money the town will raise for the payment of the town debt
- 10th. To see what sum of money the town will raise for interest on its indebtedness both bonded and floating.
- 11th. To see what sum of money the town will raise for its highways and bridges.
- 12th. To see what action the town will take in regard to the two thousand dollar bond that falls due July 1, 1906.
- 13th. To see what sum of money the town will raise for Memorial Day services.
- 14th. To see what sum of money the town will raise for the care of Monument Park.
- 15th. To see what sum of money the town will raise for the maintenance of the Free Public Library.
- 16th. To see what sum of money the town will raise to repair or rebuild the bridge at North Fairfield.
- 17th. To see what action the town will take in regard to the note, given for the loan to buy the High School House lot, falling due March 30, 1906.
- 18th. To see if the town will adopt the list of jurors as prepared by the municipal officers, treasurer and town clerk.

19th. To see if the town will discontinue that portion of the highway lying between the point where the branch road leading to Mrs. Abel Hoxie's house leaves the main road, and a point in said main road opposite Chas. Pratt's house on said road.

20th. To see if the town will vote to construct a sewer on lower Main street, between the point where High street and Main street meet and the Waterville line, by the most feasible plan to run to the Kennebec river, according to chapter 21 of the Revised Statutes of Maine, and raise money therefor.

21st. To see if the town will vote to build a public sewer, agreeably to the provisions of Section 2, Chapter 21, of the Revised Statutes of Maine, from a point near the corner of North street and Silver street, and thence running easterly along said Silver street to the corner near B. M. Bradbury's residence, and thence by the most feasible route either to the Mill Pond or to a point making a junction with the Western Avenue sewer.

22d. To see if the town will vote to construct a sewer beginning at a point on High street two hundred and forty-five feet southerly from the corner of High street and Burrill street; thence running northerly along High street to connect with the public sewer on Burrill street, according to the provisions of Chapter 21 of the Revised Statutes.

23d. To see if the town will vote to adopt the provisions of Chapter 148 of the Public Laws of 1905 of the State of Maine, entitled "An act to amend Section 22 of Chapter 6 of the Revised Statutes, relating to regulation and conduct of elections" and which provides in substance that the voting shelves or compartments used at all elections shall be provided with wooden swing doors.

24th. To see what action the town will take in regard to an almshouse and the town farm.

25th. To see if the town will vote to accept the location of the new road as amended by the selectmen from a point near the post office at North Fairfield and running easterly to the Pishon's Ferry road about one mile in length, and raise money for the same.

26th. To see if the town will choose one Old Cemetery committee to act for three years.

27th. To see what sum of money the town will raise to be used for the state road.

28th. To see if the town will vote to authorize the selectmen to hire money to pay current expenses in anticipation of taxes.

Notice is hereby given that the selectmen will be in session at the office of P. A. Smith on Saturday, the third day of March, at ten o'clock in the forenoon, to revise the list of voters.
